PUB AT THE HUB

Let's raise a glass to better learning!

We are excited to invite you to be a part of Pub at the Hub, an inaugural casual cocktail event presented by the Community Classroom Project (CCP), a new non-profit organization and 6,400 sq ft dynamic learning center on Space of Mind's downtown Delray Beach campus. Dedicated to increasing lifelong learning engagement and decreasing school-related stress, the CCP will offer resources for the entire community geared towards making learning - and living together - more fun! **We are looking forward to celebrating on Saturday, January 25th at 7pm, and we hope you'll be our party partner!**

Phase I of the CCP is launching this fall with our first initiative, the Parent Educator Resource Center (PERC). The PERC offers a lending library and workshops to help students, families, educators, family service providers and community leaders overcome challenges and make the most of educational opportunities and resources, while improving the implementation of Social Emotional and Life Skill learning tools across classrooms, households and neighborhoods. With so many struggling students, frustrated families, and burned-out teachers, we hope you'll agree that this program serves a vital need in our community.

We are set to spark real excitement around learning for South Florida families this season, and as we move forward, more innovative programs are on the way! Phase II of our plan includes:

- **Commercial Teaching Kitchen**
- **Entrepreneurship & Engineering Lab**
- **Visual Arts & Fashion Design Studio**
- **Science Lab**
- **Community Theater**
- **Media & Digital Production Studio**

The Pub at the Hub gathers 200 of our closest friends and supporters for local brews, themed drinks and chef-prepared appetizers, as well as bar games, karaoke, a silent auction, a behind-the-scenes peek at our operation, and an update on our growth. We've been working hard to launch with a splash, and this bash won't be the same without you!

We hope to be able to count YOU and/or YOUR COMPANY among our supporters! Please take a moment to review the enclosed information to determine how you can support our timely and important mission.

If you have any questions, need additional information, or want to chat with me, please don't hesitate to reach out at **561-894-8772**. Thank you for your thoughtful consideration. Cheers!

Sincerely,
